PRIVILEGE OF THE FLOOR – VISITORS

Mayor Deemie opened the first privilege of the floor.

Dick Kleitz, Nelson Road – Village put some no standing signs up and people still park there anyways. No parking signs would be best in the cul de sac area. He has 2 special needs foster children. He has therapists come to his house and they were getting tickets in front of his house.

Mayor Deemie explained that he looked into opening the old parking area. The county stocks the pond with fish. He is working with the Chief to find a solution. He was told that the area that used to be a parking area – the federal government told the county that the parking area had to be removed because it is a spillway and it has to have 6 inches of grass there at all times.

Joanne Marcello, Nelson Road – Been living there for over 30 years. Found out that Overbrook is a watershed. Even if they don't open Overbrook Road can they open the area up by the apartments? There is also a side road on the other side where there is a trail. She feels that should not stock trout in that area.

Trustee Walker asked if Broome security cover that since it is a county watershed. Chief Dodge stated that he does not believe that patrol that. He has never seen them there. Mayor Deemie stated that he has a call into the County Executive's office.

VILLAGE OF JOHNSON CITY

Joanne Marcello, Nelson Road – Said she won't be calling the Police anymore regarding the parking because they have better things to do than write these tickets. She also stated that her name was given out as the person calling in and she does not want anything to happen to her property as a result. Mayor Deemie stated that he does not believe that the Police gave her name out.

Trustee Meaney suggested the parking enforcement officer patrol that. Mr. Kleitz explained that it is usually in the late afternoon/early evening and Saturdays.

David Kellam, Berkley Street – Just got power restored on Berkley Street. At his property on Nassau Street – that area has no power yet. There is a tree down in his yard that knocked out the neighbor's property. He spoke to a NYSEG employee who stated that the transformer has been tripped. Mr. Kellam explained that issues in that area with trees and power and asked the Mayor if there is anything he can do.

Mayor Deemie explained that there is nothing he can do. NYSEG is working hard. Dry ice and water are available at the Vestal Fire Station. All the roads in the Village that were closed have been opened.

Mr. Kellam stated that the Village did a good job and expressed his frustrations with NYSEG.

Julie Deemie, Zoa Avenue – Stated that if anyone has a concern with the utilities, you can contact the public service commission.

Mayor Deemie closed the first privilege of the floor.

WHEREAS, buildings are the single largest user of energy in the State of New York. The poorest performing buildings typically use several times the energy of the highest performing buildings—for the exact same building use; and

WHEREAS, collecting, reporting, and sharing building energy data on a regular basis allows municipal officials and the public to understand the energy performance of municipal buildings relative to similar buildings nationwide, and equipped with this information the Village of Johnson City is able to make smarter, more cost-effective

operational and capital investment decisions, reward efficiency, and drive widespread, continuous improvement; and

WHEREAS, the Village of Johnson City's Village Board desires to use Building Energy Benchmarking - a process of measuring a building's energy use, tracking that use over time, and comparing performance to similar buildings - to promote the public health, safety, and welfare by making available good, actionable information on municipal building energy use to help identify opportunities to cut costs and reduce pollution in the Village of Johnson City; and

WHEREAS, the Village of Johnson City's Village Board desires to establish procedure or guideline for Johnson City staff to conduct such Building Energy Benchmarking; and

NOW THEREFORE, IT IS HEREBY RESOLVED AND DETERMINED, that the following specific policies and procedures are hereby adopted;

BUILDING ENERGY BENCHMARKING POLICY/PROCEDURES

§1. DEFINITIONS

- (1) *"Benchmarking Information" shall mean information generated by Portfolio Manager, as herein defined including descriptive information about the physical building and its operational characteristics.*
- (2) *"Building Energy Benchmarking" shall mean the process of measuring a building's Energy use, tracking that use over time, and comparing performance to similar buildings.*
- (3) *"Commissioner" shall mean the head of the Department.*
- (4) *"Covered Municipal Building" shall mean a building or facility that is owned or occupied by the Village of Johnson City that is 1,000 square feet or larger in size.*
- (5) *"Department" shall mean the Mayor's Office Administrative Staff.*
- (6) *"Energy" shall mean electricity, natural gas, steam, hot or chilled water, fuel oil, or other product for use in a building, or renewable on-site electricity generation, for purposes of providing heating, cooling, lighting, water heating, or for powering or fueling other end-uses in the building and related facilities, as reflected in Utility bills or other documentation of actual Energy use.*
- (7) *"Energy Performance Score" shall mean the numeric rating generated by Portfolio Manager that compares the Energy usage of the building to that of similar buildings.*
- (8) *"Energy Use Intensity (EUI)" shall mean the kBTUs (1,000 British Thermal Units) used per square foot of gross floor area.*
- (9) *"Gross Floor Area" shall mean the total number of enclosed square feet measured between the exterior surfaces of the fixed walls within any structure used or intended for supporting or sheltering any use or occupancy.*
- (10) *"Portfolio Manager" shall mean ENERGY STAR Portfolio Manager, the internet-based tool developed and maintained by the United States Environmental Protection Agency to track and assess the relative Energy performance of buildings nationwide, or successor.*
- (11) *"Utility" shall mean an entity that distributes and sells Energy to Covered Municipal Buildings.*

- (12) *“Weather Normalized Site EUI” shall mean the amount of Energy that would have been used by a property under 30-year average temperatures, accounting for the difference between average temperatures and yearly fluctuations.*

§2. APPLICABILITY

- (1) *This policy is applicable to all Covered Municipal Buildings as defined in Section 2 of this policy.*
- (2) *The Commissioner may exempt a particular Covered Municipal Building from the benchmarking requirement if the Commissioner determines that it has characteristics that make benchmarking impractical.*

§3. BENCHMARKING REQUIRED FOR COVERED MUNICIPAL BUILDINGS

- (1) *No later than June 1, 2017, and no later than June 1 every year thereafter, the Commissioner or his or her designee from the Department shall enter into Portfolio Manager the total Energy consumed by each Covered Municipal Building, along with all other descriptive information required by Portfolio Manager for the previous calendar year.*
- (2) *For new Covered Municipal Buildings that have not accumulated 12 months of Energy use data by the first applicable date following occupancy for inputting Energy use into Portfolio Manager, the Commissioner or his or her designee from the Department shall begin inputting data in the following year.*

§4. DISCLOSURE AND PUBLICATION OF BENCHMARKING INFORMATION

- (1) *The Department shall make available to the public on the internet Benchmarking Information for the previous calendar year:*
- (a) *no later than September 1, 2017 and by September 1 of each year thereafter for Covered Municipal Buildings; and*
- (2) *The Department shall make available to the public on the internet and update at least annually, the following Benchmarking Information:*
- (a) *Summary statistics on Energy consumption for Covered Municipal Buildings derived from aggregation of Benchmarking Information; and*
- (b) *For each Covered Municipal Building individually:*
- (i) *The status of compliance with the requirements of this Policy; and*
- (ii) *The building address, primary use type, and gross floor area; and*
- (iii) *Annual summary statistics, including site EUI, Weather Normalized Source EUI, annual GHG emissions, and an Energy Performance Score where available; and*
- (iv) *A comparison of the annual summary statistics (as required by Section 5(2)(b)(iii) of this Policy) across calendar years for all years since annual reporting under this Policy has been required for said building.*

§5. MAINTENANCE OF RECORDS

The Department shall maintain records as necessary for carrying out the purposes of this Policy, including but not limited to Energy bills and other documents received from tenants and/or Utilities. Such records shall be preserved by the Department for a period of three (3) years.

§6. ENFORCEMENT AND ADMINISTRATION

- (1) *The Commissioner or his or her designee from the Department shall be the Chief Enforcement Officer of this Policy.*
- (2) *The Chief Enforcement Officer of this Policy may promulgate regulations necessary for the administration of the requirements of this Policy.*
- (3) *Within thirty days after each anniversary date of the effective date of this Policy, the Chief Enforcement Officer shall submit a report to the Village Board including but not limited to summary statistics on Energy consumption for Covered Municipal Buildings derived from aggregation of Benchmarking Information, a list of all Covered Municipal Buildings identifying each Covered Municipal Building that the Commissioner determined to be exempt from the benchmarking requirement and the reason for the exemption, and the status of compliance with the requirements of this Policy.*

§7. EFFECTIVE DATE

This policy shall be effective immediately upon passage.

§8. SEVERABILITY

The invalidity or unenforceability of any section, subsection, paragraph, sentence, clause, provision, or phrase of the aforementioned sections, as declared by the valid judgment of any court of competent jurisdiction to be unconstitutional, shall not affect the validity or enforceability of any other section, subsection, paragraph, sentence, clause, provision, or phrase, which shall remain in full force and effect.

VILLAGE OF JOHNSON CITY

WHEREAS, the City of Binghamton ("City") and the Village of Johnson City ("Village") adopted a "Master IMA" (Intermunicipal Agreement X) organizing the original agreement and all amendments into a single document and exhibits; and

WHEREAS, pursuant to Permanent Resolution R15-54, dated May 20, 2015, the City approved an amendment to the Master IMA, Exhibit IMA No. VIII, paragraph 6 to "ADD" a paragraph to provide for certain management expenses; and

WHEREAS, the City and Village wish to delete the paragraph added by Permanent Resolution R15-54 and to insert a new "ADD" paragraph to Master IMA, Exhibit IMA No. VIII, paragraph 6, to account for additional management and administrative expenses.

NOW, THEREFORE, the Council of the City of Binghamton, duly convened in regular does hereby ordain as follows:

Section 1. That the "ADD" paragraph in Permanent Resolution R15-54 is hereby deleted.

Section 2. That Pursuant to the Master IMA, Section 31. Modifications, the Council of the City of Binghamton hereby agrees to amend the Master IMA, Exhibit IMA No. VIII, paragraph 6, as follows:

6. There is no compensation for being Lead Agency. Any other costs incurred for service as Lead Agency cannot be charged to the Phase III Remedial Project, the Sewage Board, or the Village of Johnson City. This would not preclude the City from applying for and accepting grant funds to offset the administrative costs incurred by it as Lead Agency, or from pursuing claims for recovery of such costs from appropriate parties other than the Village and the Sewage Board, including through litigation.

ADD: Notwithstanding the forgoing, the City may retain the services of a Lead Agency Project Manager (f/k/a Project Manager) at an annual salary not to exceed \$78,000 (\$75 per hour), plus benefits (see note below defining benefits); Project Management Services at an annual consulting fee not to exceed \$90,000 (\$50 per hour) inclusive of benefits; Project Analyst at an annual not to exceed \$41,600 (\$23 per hour) plus benefits; and Project Assistant Services an annual consulting fee not to exceed \$45,000 (\$35 per hour) inclusive of benefits, to provide management and administrative services for the Phase III Remediation Project. If an employee selects to obtain benefits, they will include Health Insurance, Retirement, FICA, and Worker's Compensation. Health Insurance will be based off of the City's cost of their PPO policy set annually; Retirement will be based off of the Tier each employee falls under and the State's final percent for each given year; FICA will be based of the federal rate; and Worker's Compensation will be based off of the State Funds rate for said titles. Said personnel will maintain hourly time records. The cost of said personnel will be paid by the City in the first instance, in its General or Sewer Fund, and will be allocated back in the annual final bill reconciliation to all users of the Binghamton-Johnson City Joint Sewage Treatment Facilities based on their flow percentage for each year it is in place. The Lead Agency Project Manager was allocated back effective in the 2015 final bill and going forward all others will be allocated back effective in the 2016 final bill. These expenses shall end at the completion of the Project, i.e., when the New York State

VILLAGE OF JOHNSON CITY

Department of Environmental Conservation determines construction is complete in compliance with the existing Consent Order, which may be amended from time to time.

Section 3. That this Resolution will take effect immediately upon the approval of Village of Johnson City.

PRIVILEGE OF THE FLOOR – VISITORS

Mayor Deemie opened the second privilege of the floor.

David Kellam, Berkley Street – Asked where Clarendon and Arlington Streets are. Mayor Deemie explained that this is phase 2 of the New York Avenue reconstruction. Regarding Res. #2017-81 – last year they really interrupted traffic on Floral Avenue. They did not really have a security detail, they did not keep traffic flowing. Feels that they need more crossing guards for the event.

Dick Kleitz, Nelson Road – Asked is there is a plan for the area across from Aldi's. Mayor Deemie explained that is in the Town of Union. There is a plan for that area which is online. Mr. Kleitz stated that there was a roof leak at the elementary/middle school that ruined the library and asked who will pay for that. Mayor Deemie stated that is entirely the school's issue. He is sure that they have insurance.

Julie Deemie, Zoa Avenue – Cautioned people to not leave loose coin or valuables visible in your vehicles.

David Kellam, Berkley Street – Stated that he has had items stolen from his car. He did not have his car locked so it is on him. Asked if the Chief has a plan to catch these people. Mayor Deemie stated this is a typical in the summer time. He will check with the Chief. Mr. Kellam stated that a task force would be nice. Mayor Deemie explained that if there is an increase in a certain area the Police will increase their patrols.

Corinna Johnson, Cook Street – Stated that people should let their neighbors know when something like that happens.

Trustee Meaney spoke about an incident he had and suggested that the quality of life patrols should come through. Mayor Deemie stated that in the summer we do have more foot patrols and bike patrols. Mayor Deemie stated that he will talk to the Chief. Trustee Meaney explained what the quality of life patrols are.

Julie Deemie, Zoa Avenue – People always have to be aware no matter where you are.

Mayor Deemie stated that his goal and the Board's goal is to increase public safety. It is very important to all of them.

David Kellam, Berkley Street – Asked if the Village has a lock down law. Mayor Deemie stated yes and the bar where the recent shooting was is being watched.

Rob Egan, Plymouth Street – Regarding Res. #2017-71 – Asked if other bids were obtained. Trustee King stated yes we met with 3 brokers and reviewed the process. Haylor, Freyer and Coon brought in a 0% increase in health insurance this year.

David Kellam, Berkley Street – Thanked Dai Korba for her work on the Harry L. monument.

VILLAGE OF JOHNSON CITY

Mayor Deemie closed the second privilege of the floor.

ADJOURNMENT

Mayor Deemie adjourned the meeting at 8:30pm.
