North Arch St., North Harrison St., and Intersections Fairview St.

Paving Operation

Friday September 5, 2025 through, Monday September 8, 2025

Beginning Friday September 5, 2025 7:00 a.m., Village Contacted Crews will be working on a Roadway Base Paving project on North Arch St., North Harrison St., and the Intersections of Fairview St. Sections of Harry L Drive will also be affected at times during this project. All Paving Work is expected to be completed by the end of the Day September 8, 2025.

Schedule for this Paving Operation as follows:

- Friday September 5, 2025 - North Arch St, including Fairview Intersection
- Monday September 8, 2025 - North Harrison St, including Fairview Intersection

Village Personnel is asking all parked cars be removed from the roadway by **5 AM**, and access to driveway entrance's will be very limited during this Construction Project. Roadways and driveways will be open by the end of each day, once the paving is complete.

Expect Timely delays with Road Closures, Detours

Flaggers and Traffic personnel will be on site to assist local traffic.

Please Travel with Caution
