DIRECTOR OF PUBLIC SERVICES**

**FOR IMMEDIATE RELEASE**

Monday, February 10, 2025 9:40 PM

*Contact: Water Department (607) 797-2523*

---

**WATER MAIN BREAK - WEST OF REYNOLDS ROAD & NORTH OF AETNA ROAD**

**MONDAY, FEBRUARY 10, 2025**

Water will be temporarily turned off today mid-morning until the water line is repaired. Water use will be restored as soon as possible.

It will affect the following areas in the Village of Johnson City:

Oakdale Road, north of Aetna Road  
Overbrook Road, west of Reynolds  
All of Nelson Road  
Fernwood Ave and Ivy Place, north of Aetna Road  
West end of Fernwood Avenue both sides.  
Francis Street

Due to these circumstances the boil water order is still in effect.

Bring all water to a boil, let it boil for one minute and let it cool before using, or use bottled water. Boiled or bottled water should be used for drinking, making ice, brushing teeth, washing dishes and food preparation until further notice. Boiling kills bacteria and other organisms that may be in the water.

Customers will be notified when you no longer need to boil your water.

More updates will be given as they become available.

Joshua Holland  
Director of Public Services
