

Marty Meaney, Mayor

VILLAGE OF JOHNSON CITY DIRECTOR OF PUBLIC SERVICES

FOR IMMEDIATE RELEASE

Thursday, April 11, 2024 1:45 PM

Contact: Johnson City Water Department (607) 797-2523

The Johnson City Water Department is conducting a water service line inventory as required by the Environmental Protection Agency Rule 2021 LCRR. Village Employees will be spending the next few months going door to door and requesting access to homes to determine what the service line material is providing water to each residence. Employees will have identification badges and will be driving Village of Johnson City Water Department vehicles.

Personnel will leave survey notices on doors with official Village of Johnson City letterhead for customers to respond to if they are not home.

Thank you for your cooperation.
