YARDWASTE COLLECTION

The Village of Johnson City will no longer remove leaves from the gutters. Placing debris on the side walk or in the roadways violates the Village code. See Section 174-3 below.

YARD WASTE

Grass clippings, garden materials, leaves and brush trimmings.

§ 174-3 Litter in public places.

- A.** It is unlawful to deposit or throw litter in or upon any sidewalk or other public place within the Village, except in containers or areas lawfully provided therefor.
- B.** It shall be unlawful for any person to sweep into or deposit in any gutter, street or other public place within the Village the accumulation of litter from any building or lot, or from any public or private sidewalk or driveway.

Leaves and grass clippings must be placed in covered cans or untied bags weighing no more than 50 pounds. Cans are preferred. Grass tends to stick inside the bags and the bags end up being blown by the wind throughout the Village.

The last weekly yard waste collection in the Village of Johnson City will be Monday, December 4, 2023. Collections will resume in the spring.
