FOR IMMEDIATE RELEASE

UPDATED

Reynolds Road Water Main Repair / Low Pressure Alert

Date : 7/7/2026

Contact: Department of Public Works (607) 797-3031

Today Tuesday July 7th, there will be Crews working on a Water Main Valve Repair and Installation on the Intersection of Overbrook Road at Reynolds Road. There is a Traffic Pattern shift in place, Please drive carefully and use Caution in the Construction zone. ** Residents located on Oakdale Road, Nelson Road, Aetna Road, Fernwood Ave and Ivy Place (North of Aetna Road), as well as Reynolds Road from Overbrook Road to Marian Drive, These Residents may experience low / lower than normal water pressure. Please be conservative on water usage at this time in the affected area until the work is complete.

Thank You
