The Village of Johnson City Smart Growth Comprehensive Plan Public Presentation Tuesday, May 28, 2024 at 5:30 PM

New Community-wide Planning Process: We need your feedback!

Johnson City, New York—May 22, 2024— In 2022, the Village of Johnson City was awarded funding by the NYS Department of State to complete a Smart Growth Comprehensive Plan. The plan aims to outline the vision and goals of the community through public outreach, evaluate existing plans, services, and infrastructure, and develop actionable recommendations for next steps and implementation.

To kick off the comprehensive planning process, the Village's Director of Planning will be holding a public presentation on Tuesday, May 28, 2024 at 5:30 PM in the Village Hall Board Room, 60 Lester Avenue, Johnson City, NY. The presentation will outline the process for developing the Village's new plan and the ways in which the public can participate in the process. We look forward to seeing you there!
