

DOWNTOWN PARKING STUDY

~~~~~  
**BEGINNING ON  
FRIDAY, FEBRUARY 16**

**THE VILLAGE OF JOHNSON CITY** is conducting a parking survey to ensure that the existing public and private parking facilities work to support the vision of the Village and its stakeholders. The full parking study will examine existing and future parking supply and demand conditions, strategies to improve management, operation, and the overall efficiency of existing public parking spaces.

## **We need your help!**

Please take a moment to complete the brief online survey by using the QR code on this flyer.

If you are unable to utilize the QR code, please contact the Village for the full survey link.

## Study Area Boundary and Location/General Ownership of Off-Street Parking Lots/Garages (Draft)

(Lot and garage numbers for coding purposes only – Field surveys to confirm inventory - Curbside parking restrictions to be referenced on a separate map)
