FOR IMMEDIATE RELEASE

Tuesday, November 15, 2022

November 15, 2022

With snowfall likely in the not-too-distant future, please remember that keeping our sidewalks and handicapped curb-cut areas clear of snow and/or ice is the responsibility of the property's owner or occupant.

Village law (240-11) states that every owner or occupant has FIVE HOURS after the sidewalk is covered to remove snow/ice, or ONE HOUR after being given notice by Village authorities.

In an effort to ensure that our walkways are safe for all residents and visitors to Johnson City, your code enforcement officials will be on the lookout.

Thank you,

Robert Blakeslee
Fire Marshal & Code Enforcement Official
